

Registration Information:

Registration for the 2021-2022 School Year

Current families may begin registering for classes for the 2021-2022 school year on Thursday, January 7, 2021 at 8:00 am. At that time, a registration link will be sent to current families and families who have previously had a child attend Little Lights and have requested the link.

Open House

New families can attend and register for Little Lights at our virtual Open House event. Due to Covid we will not be having an in-person open house this year. The date for this event has not been determined, however, it will be at the beginning of February. Check back in February for more details.

Additional Information:

For 2021-2022 School Year

- Registration begins January 7, 2021, for students currently enrolled.
- Registration opens to Trinity Lutheran Church members on Monday, January 18, 2021.
