WE RETURN 08/02

We are ready to take our first steps with in-person worship, and I am ready! It's been a while. In-person worship will be different. The Family Life Center will be configured differently as we put into practice a variety of safeguards. It will not be like worship was on March 8th/9th, but it will still be joyful and exciting! We will gather physically as the people of God in community to worship the Risen Lord on **Sunday, Aug 2 at 9:00 a.m.** I can't wait!!

On the opposite frame you will find safety guidelines for our in-person worship. Attending physically means that you agree to adhere to these guidelines for your sake, and for the safety of those worshiping with you. Please read them carefully. If you do not feel comfortable coming to worship in-person, if you are ill or at risk, know that our online worship will also premiere on Sunday mornings at 9:00 AM and will be available to view at any time following the premiere. Find it here: **www.trinitylife.org/worship-online**

I am REALLY looking forward to being together.

Your Pastor and Friend,

THANK YOU

God has been good through this season of physical distancing. He's blessed us with technology and the people to make online worship possible. We are grateful for your ongoing generosity to provide for additional costs in the process and to all those who gave of their time and talents to provide these weekly services. From volunteers to Trinity staff, we didn't miss a beat.

Thank you Church for staying connected to Trinity through these last months. Your participation has encouraged the heart of our staff and leadership. We have tried to maintain our ministry through surveys, Connection Groups, facebook devos, Vacation Bible School, weekly emails, phone calls, worship, notes, Trinity Kids, Trinity Students, and more. We appreciate you!

One last acknowledgement is for Trinity's COVID-19 Team. Nancy Noda RN, Gayle Gillett RN, and Dr Fred Schwartz have worked diligently to stay informed about this health situation and how best to transition back to in-person worship. Their guidelines are included.
